Kristen Seikaly

Objective	To make electronic resources clear and easy to use for patrons and staff alike. Using collaboration and following current technology trends to ensure that libraries meet their patrons' research needs. I have a strong interest in copyright issues as they pertain to information access, along with the future of academic technology including artificial intelligence.		
Education	2021-2023	Wayne State University, Detroit, MI Master of Library and Information Science	
	2012-2014	Westminster Choir College, Princeton, NJ Master of Music, Voice Pedagogy and Performance	
	2008-2012	University of Michigan , Ann Arbor, MI Bachelor of Music, Voice Performance Minor in French	
Library work experience	2019-Present	 User and Access Services Assistant Wolfgram Memorial Library, Widener University Assist patrons with library materials through circulation, discovery searches, and reference services. Create and maintain library circulation training, LibGuides, signs, and displays through physical and digital tools. Develop and maintain the circulating board game collection through selection, creating and updating policies, and tracking components. Participate in instructional and outreach groups focused on library services, assessment, and new technology. 	
Other work experience	2014-2019	 Voice Teacher Freelance; Philly Music Lessons; BridgeSet Sound Taught technical and musical skills to beginner through advanced voice students through individual instruction. Provided information and instruction on music theory, genre, history, and pedagogy. 	
	2015-2019	 Web Content Writer Freelance Built Wordpress-powered websites to write and share informative and entertaining articles. Managed social media and SEO to increase website traffic. Promoted products to relevant audiences through email, social media posts, and link building. Generated ideas, wrote, and edited articles on topics for small businesses which focused on informing and entertaining their unique audiences. 	

	2018-2019	 Gametender Thirsty Dice board game café Assisted customers in selecting and learning board games based on their interests, previous gaming knowledge, and group size. Provided a positive and entertaining experience for customers through engaging service. Recommended new games for the collection based on customer requests.
